

Position Description

Title: Psychologist (incl Senior)
Direct reports: Dependent on business needs

About Habit Health

Our purpose is to support people in their community to optimise health and live their best life. We support people on mental and physical health journeys, helping them restore function, grow stronger, re-establish, and grow social, whānau and/or spiritual connections, be safe at work, gain independence and learn how to manage their pain.

We pride ourselves on being the best option in New Zealand for organisations looking for integrated health services at scale.

Position Purpose

To provide quality, best practice Psychology Services providing assessment and appropriate recommendations and interventions to help in the rehabilitation of clients experiencing psychological difficulties. This role maintains a clinical caseload and works autonomously.

This Position Description is not intended to be complete or limiting – the role will require a proactive and flexible approach to manage tasks that support a rapid and innovative environment.

Key Accountabilities

Service Delivery

- Deliver personalised solutions for rehabilitation services and products, seamlessly linking with other co-workers to deliver an integrated customer experience.
- Deliver service in the timeframes set out in service specification for the relevant contract.
- Assess clients to determine the appropriate treatment plan or recommendations based on sound clinical reasoning.
- Communicate both verbally and in writing to funding agencies the recommendations of the assessment and the clinical reasoning behind these recommendations.
- Maintain a clear understanding of the clients' goals throughout their rehabilitation journey.
- Identify and address any aspects of service that requires clinical input and clinical management by appropriately skilled and qualified staff.
- Prepare accurate and high-quality documentation including all clinical notes, reports and communications with internal and external stakeholders.
- Communicate and collaborate with all therapy staff and administration team to ensure accuracy and timeliness of clinical/contract reporting activities are met.
- Follow appropriate consenting processes.

- Approach all claims in a timely fashion and provide reporting to ACC/key stakeholders within contractual timeframes.
- Attend any meetings that are required such as reviews, case conferences and discharge planning meetings.
- Participate and collaborate in IDT meetings to ensure a holistic wraparound treatment plan for client is achieved.
- Encourage clients to complete post service feedback.
- Maintain good working knowledge of ACC's contract operational guidelines, legislation, policies and procedures as published on its website.
- Provide best practice service in line with all Service SOP's and Accreditation Manuals where applicable.
- Ensure work is within the scope of practice as listed in the Qualification.
- Adhere to the complaints management process to mitigate risk and achieve resolution for client related issues.
- May be required to visit and/or provide services outside of Habit Health clinics ie clients home, workplace or within the community.
- Depending on experience, supervise new graduate staff or interns if applicable.
- Identify and recommend high performing graduates for staff planning.

Diary Management

- Utilise diary management software and guides.
- Ensure accurate representation of client and non-client related work is captured daily.
- Ensure changes to appointments are reflected accurately in diary and communicated if applicable.
- Ensure full workload is always represented to enable accurate business reporting.
- Ensure charge types and appointment durations are entered accurately and are completed.
- Prioritise workload to maximise client and provider service outcomes.

Relationship Management

- Maintain awareness of the principles of customer care and the responsibilities that Habit Health has to funding agencies, clients and other customers of the service.
- Work collaboratively in partnership with stakeholders both internal and external to the company as required including clients, clients' families, agencies, and providers in both the public and private sector.

Stakeholder Engagement

- Maintain high level knowledge of Habit Health services.
- Identify customer needs and recommend appropriate integrated solutions across the Habit Health portfolio of services and products.
- Promote Habit Health services to provide a solution-based approach to existing and potential customers.
- Proactively seek new contacts, referrals, and generate leads with each customer interaction.

Continuing Development

- Maintain relevant board registration, APC and CPD requirements.
- Maintain relevant professional body membership.
- Participate in regular supervision and as per Professional requirements.
- Continually develop knowledge and skills to provide a wide range of services to meet client needs and maximise referral allocations.
- Participate in in-service training, and peer review when applicable.
- Maintain first aid certification determined necessary for your role.

Attributes and Additional Accountabilities for Senior Psychologist

- Work across core contracts beyond provisional scope (Training for Independence, Pain, Psychology, Concussion).
- Advanced knowledge and experience across multiple domains of practice (e.g. trauma, pain, concussion, neuropsychology, spinal, paediatrics etc).
- May triage psychology referrals and allocate.
- May supervise or advise on specialist contracts (e.g. mental injury assessments, complex psychology assessments, sensitive claims, neuropsychology).

- May have direct reports.
- May contribute to policies, procedures, standard operating guidelines for services.
- May assist with contract application documents.
- May participate in audits and clinical governance.
- May contribute to service benchmarking and improve efficiency.

People Management (This section only applies if assigned direct reports)

Managers are representatives of Habit Health both when dealing with external customers or stakeholders, and when dealing with internal employees and contractors. Managers have a lead role in establishing and promoting our expected standards of behaviour and integrity. As a manager you are expected to:

- **Manage employees** in line with the Code of Conduct, and other Habit Health policies, processes, standards and systems in place to support you as a manager (eg. recruitment, new hire inductions, coaching, performance management).
- **Lead, model and promote** the expected standards of behaviour with integrity within the Code of Conduct and other policies and processes, providing employees with education on these where needed. Support and manage messaging to staff on business direction and decision in positive and challenging situations. Lead by example and encourage a positive, productive, and safe team culture.
- **Represent Habit Health positively** when interacting with your staff and deliver its policies, changes, initiatives or decisions in a manner consistent with Habit Health's intentions.
- **Take ultimate responsibility** for work quality, development, actions and decisions of employees in your team to ensure initiatives of the group business plan are met.

General Accountabilities

- Undertake any other duties at the request of the manager, which are commensurate with the role including project work and absence cover.
- Ensure that services are delivered in line with Habit Health values, standards, and other guidelines and contractual requirements.
- Understand and apply the principles of the Te Tiriti o Waitangi.
- Adhere to the policies and procedures.
- Adhere to the Delegation Authority Framework, and Limitation of Authorities (if any) Framework.
- Undertake training as relevant to your position.
- Participate in surveys and audits as necessary in order to enable the Company to meet its statutory requirements.
- Manage key working relationships (internal and external).
- Adhere to the professional standards of the relevant statutory body if applicable.

Key Performance Indicators

Deliverables

- BAU – Consistently deliver accountabilities as outlined in this position description.
- Objectives – Discussed, confirmed, and documented as part of the annual performance review cycle. This may include:
 - Metrics.
 - Projects.
 - Process improvement initiatives.
 - Other stretch objectives.
